

NAI National Workshop 2008

November 11–15, Portland, Oregon

PORTLAND OREGON VISITORS ASSOCIATION

The 2008 NAI National Workshop will reveal a bounty of natural and cultural riches. Along with the the professional development and networking opportunities at every NAI Workshop, NAI 2008 will offer the chance to explore the Oregon Cascade Mountains, Willamette Valley, Columbia River Gorge, and Pacific Coast.

The workshop slogan, “Sustaining the Circle,” refers not only to the role of interpretation in promoting a positive conservation ethic, but alludes to Enos Mills’ charge to “increase the tribe” by widening the circle of interpreters.

Join interpreters from around the world to share knowledge, passion, and friendship. Join us at the 2008 NAI National Workshop in Portland.
